

Dear Parents,

I would like to welcome your child to the class . To keep you informed about the children and classroom activities, I am using Classroom.

Classroom is a service allowing me to communicate easily, instantly and safely with parents via mobile push notifications and emails: informative messages, reminders, photos / videos, documents to download, events, etc.

### How to join my class?

#### STEP 1

**iPhone** (iOS 9+): Download the app Classroom via the App Store or at [classroom.co](http://classroom.co)

**Android** (4.4+): Download the app Classroom via the Google Play or at [classroom.co](http://classroom.co)

**Web / Other smartphones**: Use the mobile app at [web.classroom.co](http://web.classroom.co)

#### STEP 2

Create your user account on Classroom (the required phone number remains confidential. It is only used for authentication and won't be used nor disclosed to anyone).

#### STEP 3

Click "join a class." Enter the ID of the class  and add your child.

That's all ! You just have to wait I validate your access to the class for safety reasons and you won't miss any information about your child anymore.

#### Important information:

The iPhone or Android app requires Classroom Premium offer. If your district or your school didn't pay for it, you can benefit from it free of charge for 30 days then subscribe, if you wish, at the rate of \$2.49/month/student/family without commitment.\*

The web version accessible from a computer, a tablet or a smartphone remains free.

For more information, please visit our website <http://classroom.co/pricing>

#### Some additional information about Classroom:

 You have the ability to report an absence, a delay, medical information, request appointments or simply ask me a question via the application.

 All information related to your child's activities is gathered and easily accessible by parents in the classroom News Feed.

 With Classroom, you instantly receive information on your mobile phone and / or email via notifications.

 I can get in touch with you privately to provide you with specific information about your child.

---

For more information about the application and how it works, go to the site [classroom.co](http://classroom.co).

Best regards,
